USE AS ABR AND CRS CREDIT!

Successful completion of the GREEN CORE course counts as credit toward earning NAR's Green Designation and also meets the elective course requirement for REBAC's ABR Designation. It is approved for two units of elective credit for the Certified Residential Specialist designation.

Real understanding, real results.

NAR's Green Designation gives you the tools you need to guide clients through buying, selling or building in the sustainable marketplace.

To earn your designation you must complete the Core Course and one of the following electives: Residential, Commercial or Property Management.

- ▶ Explain to your clients what makes a home, building or property green
- ▶ List and market green properties
- ▶ Implement green practices into your life
- ▶ Determine the energy efficiency of a property
