Residential consumers want your in-depth green knowledge

NAR's Green Designation gives you the tools you need to guide clients through buying, selling or building in the sustainable marketplace.

To earn your designation you must complete the Core Course and one of the following electives: Residential, Commercial or Property Management.

- ▶ Explain the cost/benefit value of green homes and features
- ▶ Describe resource-efficient home systems, appliances, building methods and materials
- ▶ Outline the benefits of an energy audit and guide clients in obtaining one
- ▶ Recognize sources of VOCs and toxins that impact indoor air quality and the environment
